

Aurat Ki Namaz: Differences (Hanafi)

Same words and rakats as men; the postures are more covered

Part	Men	Women
Takbeer	hands to the earlobes	hands to the shoulders
Hands	below the navel	on the chest
Ruku	back flat, fingers spread	slight bend, fingers together
Sajdah	arms raised, away from body	compact, arms on the ground
Sitting	on left foot, right foot up	on left hip, feet to the right
Recitation	aloud in Fajr/Maghrib/Isha	always quiet

Source: Darul Uloom Deoband, Darul Iftaa Birmingham (Hanafi). Other schools: women pray like men.
